

Policy & Procedure

Life Membership

Introduction

Life membership is a means of recognising exceptional, loyal and outstanding service to the association.

The Constitution states that life membership may be granted as *“an honour for services rendered to this Association or to aviation generally or to the promotion of the aims of this Association.”*

This policy describes the criteria for determining if the services rendered to the association, or promoting the aims of the association satisfy granting of life membership.

Scope

This policy applies to all members of the association.

Policy

The nominee must be a financial member of the association.

The committee will evaluate any nomination to determine if the eligibility criteria has been met.

The grant of life membership will be approved by majority vote of the members at a general meeting of the association.

Criteria for determining if the services rendered satisfy granting of life membership.

- The nominated Member should have demonstrated an exceptional contribution, beyond the ordinary, for an extended period (minimum 10 years), which has been of great benefit to the association.
- The nominated member has represented the association with distinction and advanced the objects of the association.
- The nominated member has provided valued leadership around the association and is considered a role model.

Procedure

Proposals for grant of life membership should be submitted to the committee with a seconder. The proposal must include a resume of why the nominator is proposing life membership. This should outline the length of time, and the details of the exceptional, loyal and outstanding service the nominee has provided.

Policy & Procedure – Life Membership

The committee will review the nomination against the criteria defined in the policy.

If the committee is satisfied the nomination meets the criteria it will be presented to members at the next general meeting.
