Antique Aeroplane

national ANTIQUE FLY-IN '79

PRESENTS

at
DRAGE'S HISTORICAL AIRCRAFT MUSEUM
AND AIRFIELD.
WODONGA, VIC.
JUNE 16/17/18, 1979.

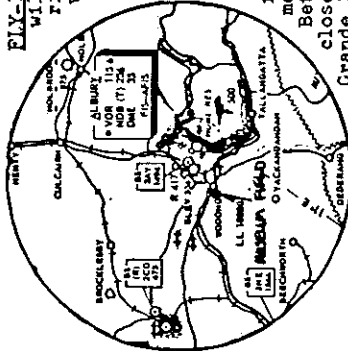

Association of Australia

AIRFIELD AND PILOT INFORMATION

There will be no arrival or gate charge to Pilots or Passengers arriving by Antique, Classic, Kuster, Chipmunk, Tiger or Homebuilt aircraft at the Fly-in field during the three days. However to maintain this position you must register at the AAA registration tent and collect your crew badge.
It is pointed out that our D.C.T. approval to hold the Fly-in at the Museum does not allow modern type aircraft, other than those specified above, to land at the Museum field and these aircraft must land at nearby Albury Airport. A free bus will transport the pilots and passengers to the Fly-in.
Persons arriving by car or bus will be charged the following:
Saturday, \$1.50 Adult, 50¢ Children.
Saturday night Social Evening, \$5.00 Adult, \$2.50 Children.
Sunday, \$2.00 Adult, \$1.00 Children, \$6.00 maximum for a family group.

Monday, free.

Only flight crew will be allowed on the flight line.

FLY-IN PROGRAM: The Saturday, June 16th, 1979, will be for arrivals, fly pasts and buddy rides. At sunset, in the Marquee, there will be a BBQ, tea and Social evening. The film "Waldo Pepper" will be shown (very relevant) and there will be more than enough time to start or renew friendships and talk about, what else but Antique Aeroplanes.
As numbers of tickets for the evening will be limited may we suggest that you obtain your ticket early in the day. On Sunday there will be more arrivals fly-bys and the opportunity to inspect members aircraft plus those in the Museum. Between 1.00 and 3.00 pm the field will be closed to all arrivals while there is a Grande Parade of the Antiques, plus other items. A presentation of trophies will also be made during this time.

FUEL: will be available from a mobile tanker at the Fly-in field. Due to the recent fuel supply problems it is possible that the fuel will only be 100 Octane. Oil will also be available.
Please have cash or cheque ready. Carnet cards will not be accepted.
Fuel and Oil will also be available at Albury Airport.
TROPHIES: There will be no charge to tie down your aircraft and remain overnight. The down kits will NOT be available for hire. The pilot is responsible for securing his aircraft.
CATERING: Light refreshments, snacks and drinks will be available at the field during the Fly-in.

FORUMS: During the weekend a number of forums will take place. Topics will be such things as Fabric covering, Tiger Moth restoring and Finding Antiques. The forums will not take place during the Grande Parade. Listen to the P.A. for details of times and location.

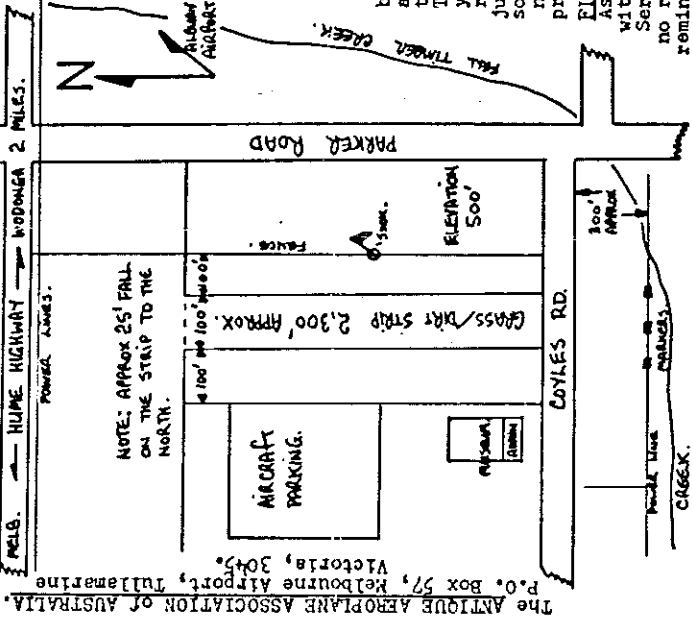

SURFACE TRANSPORT:

A free bus will be running between the Fly-in field and Albury Airport, on both Saturday and Sunday, for those pilots and passengers arriving by aircraft at Albury Airport. The bus will be departing from the D.O.T. briefing office on Saturday at 1, 2, 3, 4, 5 and 5.45 pm. On Sunday at 10.30, 11.30, 12.45, 1.30 and 2.15. Then departing the Air Museum field to Albury Airport at 3.30, 4.15, 5.00 and 5.45 pm.

SATELLITE AIRFIELDS:

No-radio aircraft bound for the Fly-in field will be required to lodge an ETA with Albury Flight Service (phone 060-21-5994). The following fields around Wodonga can be used to land at and phone Albury Flight Service: Wagga, Holbrook, Corryong, Pansalla, Wangaratta, Corowa, Shepparton, Kyabram and Yarravong. These airfields can also be used should a weather or other problem arise.

Please note that the Grande Parade and other items will be held on Sunday 17th between 1.00 and 3.30 pm. The Fly-in field will be closed during this period.

The ANTIQUE AEROPLANE ASSOCIATION OF AUSTRALIA
P.O. Box 57, Melbourne Airport, Tullamarine
VIC. 3045.

FLYEA MARKET:
A market for surplus items that the average Antiquer holds or wishes to sell will be held during the weekend. Therefore if you have a spare Tiger Moth prop or tail skid or a rocker hat for a Genet Major that is of no use to you then bring it along and sell it at the Flea Market. The item that you want to get rid of may be just the item that some other Antiquer needs for his project. A small service charge will be made.

FLIGHT PLANS/SARWATCH:
As the Fly-in field is within the Albury Flight Service MBZ pilots of no radio aircraft are reminded that an ETA must be advised to Albury Flight Service.
Pilots of aircraft that carry radio should contact Albury Flight Service on 119.9 on entry to the MBZ. Flight Plans can be cancelled by contacting the phone officer in the AAA Administration area located in the front of the Museum building.
OPERATIONS: Briefings will be conducted as required during the day. Only the N-S strip will be used. The E-W strip is closed to all operations. All circuits must be to the WEST, away from the Albury area. When aircraft are taxed in or out of parking areas the pilot must obtain wing walkers to assist safe movement to the taxiway or strip. Any passengers in the affected aircraft will be expected to assist in this safety requirement.
Observe Marshals for traffic advisory, taxi direction and parking. Remember: Use good airmanship and be alert - there will be other aircraft around. Check the strip direction in use. Be prepared to go around if need be.
